

YASWA Board Minutes

October 20, 2025

4:15 PM – City Council Chambers

Present: Mayor Barry Redfern, City Council President Jeff Pieper, Commissioner Leroy Ott.

Absent: Daniel Grotz. Also present: Sue Crawford, City Administrator, James Paul, Public Works Director, and Thomas Mommens, Landfill Superintendent.

The meeting was called to order at 4:15. The Open Meetings Announcement was made. The publication for this meeting occurred on October 10, 2025 in the York News Times.

Ott moved and Pieper seconded approval of the minutes from the October 21, 2024 meeting. The motion passed (Redfern Y; Pieper Y; Ott Y).

Public Works Director James Paul provided an overview of YASWA operations and recent capital purchases. A couple of highlights included the installation of litter fencing to contain plastic bags and other litter and the installation of a storm safety shelter for employees.

Public Works Director James Paul explained the Solid Waste Management Permit process and notified the Agency that he would be submitting a renewal of the permit for YASWA.

No action items (other than approval of the minutes) were taken.

Meeting adjourned at 5:00 PM.

Minutes – October 21, 2024 – 4:15 PM
City Hall Council Chambers

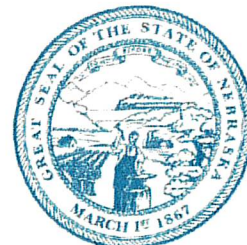

Present: Mayor Berry Redfern, City Council President Jeff Pieper, Commissioner Daniel Grotz, Commissioner Leroy Ott. Also present: Sue Crawford, City Administrator, James Paul, Public Works Director and Garrett Williams HDR.

- 1) Open Meetings Act: Mayor Redfern announced the appropriate Open Meeting Act publications of the meeting.
- 2) Pieper moved for the approval of the minutes of the previous meeting. Grotz seconded and the motion carried.
- 3) James Paul, Director of Public Works gave an update on budget items related to the YASWA operations (slides attached).
- 4) Garrett Williams, HDR, announced an upcoming study that will help us determine if our projections concerning the current cell are still on track. He also noted that we would expect to be in design for the next phase in 2026 and building the next cell in 2027. He explained that the second cell of a new area has to come relatively soon after the first cell so that the cells can be filled most efficiently.

Dear Mr. Paul:

The Nebraska Department of Environment & Energy is notifying you that your solid waste management facility permit no. NE0054372 expires on **June 15th, 2026**.

Title 132 - Integrated Solid Waste Management Regulations requires that renewal requests be filed with the Department 180 days prior to expiration on forms provided by the Department. If you wish to request the renewal of your permit, please complete and return the enclosed form to the Department by **December 15th, 2025**.

The Department will be requesting submittal of a complete permit application prior to permit expiration. We need enough time to allow for Department review and comment, for any revisions in response to comments, for a 30-day public notice period, and reserved time in case of a public hearing request.

If you have any questions, please contact Kari Munk at (402) 471-3386.

Sincerely,

Brendan Anderson
